Healthy Old Age

Simple Remedy Promotes Health

By Overcoming Tendency to Constipation. Advancing years impair the action of the vital organs. Old age should be the period of greatest happiness, but good health is necessary. Constipation schould not be tolerated—it is often the direct cause if ill health.

Headachs, belching, biliousness, bloat, drowshiness after eating and other symptoms of constitution can be easily relieved by the use of a simple axistive compound sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. Mr. J. H. Bristol, 1412 Gedden live. Ann Arbor, Mich., who is 33 years old, mays 'Dr. Caldwell's Syrup Pepsin at the best remedy I aver used for contipution and I always have, a bettle of I in the house to use when I feel he need at it; it never disappoints."

Officers May Be Needed.

If ever the United States has to caise an army of millions, it will be hard pressed for officers. An army officer, in addition to drill, has to know a lot of theory and "book learning." It is to be expected, and the experience of the past has shown, that these officers will be drawn from the better educated class, the men who have had the advantage of intellectual training which enables them to grasp abstractions quicker than the ordinary common school product.

Many American colleges will therefore offer regular courses of military study, counting as part of the work for a degree to indegrated meat

to drill and actual field experence, the record of the summer training camps shows that the young men an get mure of this in a week of incoming training, devoting his line to othing size, than in tenfold the time to thing else, than in tenfold the time wer months in homeopathic doses of a hour cach.
